Message from the President

By the time you get to read this most of you will be home again so I hope you have had a great day with the Alpine Cat Club and have arrived safely home.

We have trialed the 1st, 2nd, & 3rd, Rosettes and prizes again for this show with the much reduced entry fee for the additional entries that you put in. The response to this has been very positive, and we will probably continue our shows in this manner.

Our food Sponsor, MasterPet has been very generous and provided us with prizes for 1st to 10th PLUS some additional prizes for the Supremes. We feel very fortunate that MasterPet were able to sponsor us this year and I hope you have all given the toy on the top of your cage to your cat. Also on the Raffle table you will find information about Iams products and their very good Breeders Club.

Other major sponsors this year have been Absolute Design - the makers of these beautiful rosettes here today. Amelia de Ridder and workers. I am sure would be delighted to hear the praise that their lovely rosettes have already raised. Absolute Design have Donated the Special Top Ten Combined Ring One rosettes that Kay McArthur will award during Dinner tonight.

Michelle Magrath from Venusta Cattery has also donated a complete ring of rosettes to our show today.

Alpine Cat Club is well on the way with "fundraising", we have several bookings where we will be doing "Sausage Sizzles" outside the likes of Bunnings, The Warehouse and Mitre 10 so if anyone wants to come and join in the fun please contact Jo or Deb re where we are on what dates.

The LOTTO Fruit and Vege raffle was stopped when the funds ran out but recently I have had a number of people ask us to start it again. We will do this but will operate slightly differently in that you will need to pay \$20 for a 10-week ticket. This will then work just the same but will run for a straight 10 weeks once we have sold the 40 tickets. A sheet will be on the Raffle table today for you to put your name down against your favourite number. Once we have sold all 40 tickets we will start the raffle going for the next 10 weeks. You will need to leave your name and contact details plus pay of course and we will let you know when it starts.

Mobile Produce, with Charlotte, Richard Morris and family has once again been very generous with their time and continuing sponsorship of all our Alpine Cat Club endeavours. This time they have got behind our Children's Colouring Competition -

many thanks for your Support it is appreciated and we all enjoy your Fruit and Vege if we are lucky enough to win the Raffle.

There are also another couple of firsts for Alpine people, Deb Armishaw has taken on Show Manager for this show, and the All Breeds ANZAC show. Jo Millar will, by the time this show starts, have mastered the IT side, that we normally see Dave Harris doing. For more than one reason, it was imperative that Jo learn to do the Computer side totally, the obvious one being that I was judging at this show and as such I would not, and could not, have any of the entries, cards, catalogue etc., to be in our home. It goes without saying that this has also been the case this year where I have been Judging and Dave has had to do the IT work away from our home. He has spent a lot of time this year closeted with Jo I must say.

Having said this I would remind you all that Alpine Cat Club prides itself on being a friendly club that fosters new comers wanting to learn. If any one of you wish to learn how to do something, be it handling, stewarding or scribing etc., or have questions no matter how silly you may think they are please do not hesitate to ask a committee member and if they do not know they will certainly find an answer.

Thank to the Judges who have given up their time to come to Christchurch and Judge our lovely felines. Thanks also to our four Companions and Domestic Judges - we hope you all enjoy the experience today judging.

Lastly thanks to all the members of Alpine Cat Club committee and members at large for your help and encouragement and of course to all the Exhibitors who have once again supported us so well.

Margaret Harris
President

The logo for MASTERPET is displayed in a large, bold, stylized font. The letters are thick and outlined, with a slightly irregular, hand-drawn appearance. The 'M' and 'P' are particularly prominent, with the 'P' having a long, sweeping tail that extends to the right. The overall style is reminiscent of a classic, retro brand logo.
